## Stirling Public Utilities Announces Changes Made In Service

As a result of the retirement of Mr. W. N. Flindall as Manager of the Stirling Public Utilities Commission they have had to review the staffing situation for both the immediate and long-term future, keeping your interests as customers in mind. ## Did You Ever Play Charlie?

Last week the Senior Citizens had a roaring good time.

Did you ever play Charlie? Well you better learn. It's a kind of up and down game. The farther up you go, the farther down you are. It's so much fun going up, but you want to stay down. Dis Ole Scribe went down and out twice, but left Murn Stapley laughing because he went up. I don't know how he got up because he was trying to go down.

President Fred graciously thanked Bessie Patterson for preparing a lovely lunch. Dis Ole Scribe's granddaughter "Melinda" says she enjoyed serving it so much that she would like to do it again.

Secretary Elizabeth Ward read many thank you notes. We felt highly rewarded for the Christmas kindnesses we were happy to participate in.

Past President George is again on his own. Lil left him and was last heard of in the sunny south somewhere. George says all hand-outs will be welcome and may be left at the rear door. He says there are so many dirty dishes in the sink that there is no place to spit.

Now George!

President Fred said that on New Year's Eve he drove and drank like a fish — because he drank what the fish drinks.

## Stirling Public Library Lists New Books For Your Reading Enjoyment

Children and their parents will all welcome "The Rainy Day Book" by Alvin Schwartz. It is filled with all kinds of ideas for things to do at home — games, crafts, puzzles, riddles, experiments, recipes — there is something for everyone — to do alone or together, quietly, or energetically to let off steam, entertain friends, explore new hobbies, all using materials found at home.

"Fantasy through books can stimulate the imagination of young and old, and "The Kelpie's Pearls" by Mollie Hunter begins in the Scottish Highlands near Loch Ness. A Kelpie is a water sprite, but was the old woman Morag, a witch? The boy, Torquill, had a strange adventure and a strange story to tell.

"Fog Magic" by Julia L. Sauer is about Greta, who lived in Nova Scotia, where the fog rolls in from the sea and changes the scene to something new and indistinct. "So this," she said to herself! "THIS is what can happen to you in fog. I always knew that there must be something hidden."

"Little Vic" by Doris Gates, tells the story of a boy and a racehorse, and about the owners, jockeys and trainers in the Kentucky Blue Grass country. How the horse and rider overcame many handicaps to win at last, makes exciting reading.

Older boys and girls will enjoy reading "Thunderhead" by Mary O'Hara — telling more about the McLaughlin family, favourites from "My Friend Flicka" and "Thunderhead". The wild white stallion that Ken loved so much. This is an exciting and beautiful story, and a great favourite with all those who love horses.

"Gentle Ben" by Walt Morey, is another story about an unusual friendship between a boy, Mark, and an animal, this time a huge brown bear. When Mark tries to lead the bear back to his natural homeland in the wilds of Alaska, he finds that his love for Ben is returned, and they are freed together with a bond that even freedom cannot break.

"Sea Pup" by Archie Binns tells of the adventures of Clint Barlow and

## Baptismal Service

Bradley Steven, infant son of Mr. and Mrs. Ralph Clements, RR 1, Harold, was baptized in St. John's Anglican Church on Sunday, December 29th by the Rev. M. Caswell, Mr. and Mrs. Craig Watson acted as his godparents.

After the service the following were entertained at dinner at the parents' home: Mr. and Mrs. Ray Poste, Rev. and Mrs. Caswell, Lisa and Sarah, Mr. and Mrs. Craig Watson and Jim, of Stirling; Mr. and Mrs. Tom Clements and Jane, of Harold, and Mr. Art Evans, Toronto.

Buster, a baby seal who "adopted" Clint as his mother, and the exciting times they have together as Buster grows up.

A very different story for boys — with a big city environment, is "Mystery of the Fat Cat", by Frank Bonham. How the boys found a way to keep the Dogtown Boys Club open, and discovered the true identity of a certain "fat cat" makes exciting reading, especially when a fortune — say half a million dollars, is involved!

For sports fans, "Full Court Press" by Dick Friedlich is an exciting basketball story — you are involved with the coach and players, the "star" and the team, the school and the town.

"What is a 'UFO'?" Dale White has written "Is Something Up There?" an unbiased account of what is known about flying saucers, and some of the theories advanced about strange unexplained happenings. This is an interesting introduction to a subject that has intrigued people for many years, and answers some questions with the aid of photographs and diagrams, as well as discussion.

Friday Night Films  
And Sat. Story Hour

Friday night films and Story Hour on Saturday for the younger children are still favourites, and will continue into the New Year.

Until next time — Happy reading.

# BIRD'S IGA MARKET

THE HOME OF RED BRAND BEEF

**Rylstone**

(Mrs. Ella Jones)

Late John Wesley Stewart

The death occurred on Tuesday, December 17th in Campbellford Memorial Hospital of John Wesley Stewart, after a short illness. He was the oldest gentleman in the Rylstone community, being in his 87th year.

He was the only son of the late James Stewart and Elizabeth Duncan and had spent his entire life on the Stewart homestead on the ninth line.

While a young man he was married to May McKeown, who predeceased him nearly seven years ago. To this union were born one son, Raymond, on the homestead, and two daughters, Jean (Mrs. Wm. Donaldson), Peterborough, and Vera (Mrs. Albert Holland), of Havelock. He is also survived by one sister, Miss Grace Stewart, of Toronto, and four grandchildren, Glen Stewart and Susan Donaldson, Peterborough, Stewart Holland and Marilyn Stewart, of Toronto.

He was predeceased by three sisters,

Mrs. (Dr.) A. MacDonald, (Effie) Mrs. John McKeown, (Margaret) Mrs. Purvis Allan (Jessie).

Mr. Stewart was a home-loving man. He belonged to no fraternities and was a member of the United Church at Rylstone until its closure recently. He was a sports enthusiast but had never taken part in them. He was liked and respected by all who knew him.

He rested at the Bennett-Weaver Funeral Home till Wednesday, when Rev. Gordon Whitehorn conducted funeral services and the committal service at Rylstone Cemetery.

Pallbearers were Louis Fennell, Robert Spencer, Fred Spencer, Laurence Meiklejohn, Jim Gray and Don Stewart.

There were no flower bearers, as the beautiful flower tributes were donated to Campbellford Hospital and Nursing Home.

Just because nobody disagrees with you doesn't necessarily mean you are brilliant — maybe you're the boss!

**FLETCHER -- HAGERMAN WEDDING**

St. Paul's United Church, Stirling, was the setting of a very pretty wedding on November 23rd, 1968, at twelve o'clock noon when Reverend J. Bruce Small, B.A., B.D., united in marriage Sandra Joan Hagerman, daughter of Mr. and Mrs. Ray Hagerman, R.R. 3, Stirling, to Kenneth Charles Fletcher, son of Mr. and Mrs. Dan Fletcher, London, Ontario.

Mrs. Harry Brown church organist, rendered appropriate wedding music. Baskets of yellow shasta 'mums, white daisies and fern adorned the altar.

The bride, given in marriage by her father, looked charming in a full-length gown of Belgian lace over imported crystal satin, highlighted by a cathedral length train of imported crystal satin bordered with Belgian lace and flowed from the neckline. The bodice of this classic gown was embroidered with tiny seed pearls and the lovely lily-point, full-length sleeves were complemented by the bride's bouquet of twenty-four red roses, centred with a white gardenia and mingled with fern and Stephanotis. The bride's headpiece was a tiara designed, one with rhinestones and pearl encrusted, attached to the headpiece was a four-tiered veil of nylon net which flowed to the waistline.

Miss Joanne Brooks, Belleville, girl friend of the bride, was maid of honour. She wore a full-length, A-line gown of emerald green velvet, with rounded neckline, long sleeves and a velvet bow at the bodice front. Miss Carol Lindenfield, Oshawa, girl friend of the bride, and Miss Lynne Fletcher, London, sister of the groom, were bridesmaids. They were dressed identically to the maid of honour and all wore green velvet head bands and a bow in their hair. They each carried a green velvet muff edged with white Belgian lace on which was fastened a corsage of yellow tea roses and white 'mums.

Attending the groom was Stephen Clark, of Burlington, and the ushers

were Lorne F. Kraus, Windsor, and John R. McMackin, Oshawa.

The reception was held at the Dutch Mill Inn, Trenton, where the mother of the bride received her guests wearing a hunting green Alec-brown velvet hat and accessories and on lace dress and jacket ensemble, a corsage of bronze 'mums. Assisting her, the mother of the bridegroom wore a silver grey and white two-piece ensemble. To accent her dress, she wore a black velvet hat, trimmed with white feathers, and accessories of black. She wore a corsage of white 'mums tipped with pink.

For a wedding trip to Ottawa, Quebec City, Laurentian Mountains, Adirondacks and Lake Placid, the bride wore a maize double knit dress with emerald green accessories, a grey coat with mink collar, a green velvet bow in her hair and a corsage of yellow shasta 'mums.

Upon their return, they will reside in Windsor where the bride and groom are employed in branches of the Toronto Dominion Bank.

Guests were present from Eldorado, Campbellford, Frankford, Belleville, Trenton, Oshawa, Ajax, Toronto, Hamilton, Burlington, London, Windsor and Stirling.

The bridal party was entertained by the groom's parents, Mr. and Mrs. Dan Fletcher, following the rehearsal.

Previous to her marriage, the bride was honoured at a crystal shower by employees of the Toronto Dominion Bank, Oshawa and a miscellaneous shower at the home of Mrs. Lorne Brooks, Carmel, with Miss Joanne Brooks as hostess. Sandra was also presented with T.V. tables and a silver and crystal lazy Susan from the Toronto Dominion Bank, Oshawa. Presentations were also made to the groom from the branch in which he is employed in Windsor.

A community shower was held at Carmel Hall in which the bride and groom were presented with a purse of money.

January 1969 has brought the beginning of another year. It has also brought the beginning of another fishing season.

Although pike and pickerel seasons have been open since last May, trout fishing is legal after January 1st, 1969.

The following is a rundown on the open seasons for 1969 in Hastings County.

Pike — May 10th to March 31st.

Pickerel — May 10th to March 31st.

Bass (Longmouth, Smallmouth) —

June 28th to November 30th.

Maskinonge — June 21st to November 30th.

Brook Trout (Speckled) — January 1st to September 30th.

Rainbow Trout — January 1st to September 30th.

Brown Trout — January 1st to September 30th.

Lake Trout — January 1st to September 30th.

If you are considering fishing in another county or division, it would be advisable to check the open season in that area as there could be a variance.

During the holidays, I enjoyed some very fine ice-fishing for smelts in Lake Erie.

While visiting relatives in St. Catharines, I was introduced to this type of angling by my brother-in-law, who is an ardent sportsman himself. We had very good luck in catching these small, silvery delicious fish. We had our best results using tiny minnows for bait, although other types of bait were used.

Don't forget that you now must have on your person a resident angling licence while angling, and this applies to males only, the age of nineteen years and over.

In closing I would like to stress the danger of thin ice. If there is any doubt whatever as to the safety of it, be wise and stay off it.

A new kind of winter tire ... sometimes it's a snow tire, sometimes it's not

Most snow tires actually spend about 80% of their time running around on snowless roads, but most snow tires are designed only for snow, they're noisy and rough riding on bare pavement. Super Winteride is engineered to make all winter driving safe and comfortable.

IT'S A GREAT SNOW TIRE ... The deep husky tread digs you out and keeps you going, even when snow conditions stop others.

IT'S A GREAT SNOWLESS TIRE ... Rides whisper quiet on bare pavement, even at turnpike speeds ... a sound you can live with.

MRS. GARNET BAILEY  
(Arnprior - Rawdon)

A former Rawdon resident, Mrs. Garnet Bailey, of Arnprior, nee Lilian Kathleen Batstone, died at the home of her daughter in Ottawa on Friday, December 27th, in her 69th year. She was a daughter of the late Rev. and Mrs. James Batstone and resided in the Rawdon Parsonage Front St., Stirling, previous to her marriage to Garnet Bailey after his return from overseas.

For some time they lived at Mount Pleasant on a farm near the Central Cheese Factory before taking up residence in Toronto. Later they purchased Camp Calumet in the Haliburton area where they spent the summer months. Her husband predeceased her in 1960 and Mrs. Bailey sold the camp in 1967 and retired from business. Three years ago she took up residence in Arnprior.

Mrs. Bailey had been holidaying in Florida with a cousin and had just returned to Ottawa the previous day. During the night she peacefully slept away.

She leaves to mourn one daughter Barbara (Mrs. Jim Short), Ottawa, and seven grandchildren and one brother, Charles Batstone, Windsor. Besides her husband, a brother James and a sister Mrs. Earl Haines (Eileen) are predeceased.

The funeral was held Monday, December 30th at the Boyce Funeral Home, Arnprior, with Rev. John Angus officiating.

The funeral cortege left immediately for Toronto where the interment will take place in Mount Pleasant Cemetery beside her late husband.

A niece Mrs. Harry Benson, Mr. Benson and daughter Patsy attended the service at Arnprior on Monday.

QUESTION: Dear Sir: Budgeting is for the birds! I've been trying to set up a family budget like you say, but it just doesn't work. No matter how much twisting and shifting around I do, I still have more monthly payments than I can handle. I'll just go back to the old way of paying as many creditors as I can each month and letting the rest wait for their money. I recommend this approach to your readers. Call Me John

ANSWER: Budgeting may be for the birds, John, but it definitely is not a cure-all for someone who thinks he can go on a buying spree and then solve all his payment problems with a budget. This is irresponsible at its worst, but this attitude on your part does not surprise me considering your attitude toward paying your bills.

I wonder what you would think if your boss took the attitude that he would pay only a certain group of his employees on payday and let the rest of them wait for their money, especially if you were in the second group.

Budgeting is a tool designed to help people regulate their spending in such a way as to get maximum satisfaction out of it, and in the process keep out of financial difficulties.

There is nothing magic about it; thus, there is no way it can stretch an inelastic income to cover the purchase of things you shouldn't have purchased in the first place.

If I really thought you were interested in getting yourself out of the mess you've gotten into, I would suggest that you (a) contact your creditors and ask them to work with you until you get back on an even keel; (b) at least investigate the possibility of consolidating your debts so you can meet a realistic payment schedule; and (c) stay out of the stores until you've paid your bills. The advice is free, John, but I'm not sure you will want to take it.

QUESTION: Dear Sir: You and others have written about the importance of teaching youngsters how to manage their money, and you've said that an allowance of their own is a good way for children to learn about money. Three questions: how old should a child be before he gets an allowance? How much of an allowance should he get? What should his allowance cover?

Mrs. I.V.W.

ANSWER: Some authorities suggest that children four and five years old be given allowances. I would agree providing the child has been

given to understand what money is and does, what it is worth—five pennies are the same as a nickel, etc.—and that money represents time and work on the part of the breadwinner in the family—that is, that money doesn't grow on trees.

Start your youngest children on a dime or 15 cents a week and encourage them to spend it in any way they see fit—only do not supplement the allowance when it has been spent. This way the children learn that (a) what they spend for this, they cannot spend for that and (b) that the supply of money available to them is definitely limited.

Increase the allowance until the child is receiving about 50 cents when he is eight; \$1 when he is 10; \$2.50 at 12 and about \$4 when he is 14. Amounts for older children will vary.

Allowances should cover as many of the child's normal expenses as possible: school lunches, bus fares, movies, maid's and as seem reasonable to you. Normally, allowances do not cover clothes or family recreation.

Some parents make what I consider to be the mistake of giving a child an allowance and then telling him to "put it in your bank". Savings is fine and a habit which should be fostered early. But bear in mind that your fundamental purpose is to teach the child to handle money and he can't learn if the money is in his bank. He will learn to save when you point out that they can buy certain items more expensive than his allowance will permit only when he "saves up" for it. At that time the child will see the real value in saving and the reason for it.

## Cubs Christmas Parties

Stirling Cubs

On Monday evening, December 15th, Stirling Cubs held their Christmas party with their parents. A good programme of plays and games were put on by the boys and the leaders with the parents taking part. Carol singing was led by Mrs. Woodbeck with Mrs. Harold West at the piano.

J. Irish spoke to the group and stated that Mrs. Woodbeck had received her 15-year badge. Santa appeared and each boy received a present. The Cubs presented Doug Robson with a gift, as Doug has left the Cubs and is working with the Scouts. Marmora Cubs

On Tuesday evening, December 17th, the Marmora Cubs entertained their parents to a Christmas party. The boys put on some fine Christmas plays and had carol singing. Santa came and gave each Cub a bag of candy.

Bonarlaw Cubs

On Wednesday, December 18th, the Bonarlaw Cubs held their regular Cub meeting with the boys' parents attending. The highlight of the evening was the investing of five boys into the Scout troop and Mrs. Wendy Ackers was invested as a Cub leader. J. Irish spoke to the boys on their Scout Law and Promise before he invested the boys.

Mrs. Leonard helped J. Irish in the investiture of Mrs. Ackers. Presents were then given out to the boys and the Scouts made presents for

their mothers.

Coffee and donuts and soft drinks were served to the boys by the leaders and parents.

Another year has passed and we would like to take this opportunity to wish all leaders and committee members a very Happy New Year.

## Fairy Story

Once upon a time there was a beautiful maiden who was walking through the woods when she met an ugly looking frog. To her surprise, he spoke to her:

"Miss, once I was a handsome prince, but an old witch turned me into a frog."

"Oh, what a shame!" cried the girl. "Can I do anything to help you?"

"Indeed you can," the frog replied. "If you take me home and put me under your pillow tonight, I will be saved."

So the beautiful girl took the little frog home with her. Next morning when she awoke, there in bed with her was a handsome young man.

And do you know something? To this day, her mother still does not believe that story.

### Mount Pleasant

(By Mrs. Percy MacMullen)  
We bring you greetings in this new year of 1969.

Despite the terrific cold weather many families enjoyed Christmas Day with the usual festive gatherings.

On Saturday, December 28th, a very heavy snowstorm blocked roads and driveways. There was no rural mail delivery Saturday and the Sunday Church service at Mount Pleasant was cancelled.

On Friday evening, December 27th Rev. W. C. Cox solemnized the marriage of Donna Knight, daughter of Mrs. Donald Knight and the late Mr. Knight to Mr. Ted Harrington, of Belleville, in Mount Pleasant United Church. Following the service the reception was held at the home of Mr. and Mrs. Claire Knight.

Miss Barbara Williams, R.N., Belleville, spent a few days last week with her parents, Mr. and Mrs. Stanley Williams and family.

The Rawdon H.C. group held their Christmas party at the home of Mr.

and Mrs. Ralph Jeffs with about forty in attendance.

Messages have been received from Allan Donnell, Ottawa, a former editor of the News-Argus, also from Rev. Fred G. Joblin, Port Perry, and the Bonsteel family at Stratford.

Mr. and Mrs. Keith Williams and children, Stoney Creek, spent last week with their parents Mr. and Mrs. Sid Williams.

Robert Jeffs, Oshawa, spent a few days Christmas week with relatives here.

Mr. and Mrs. Gordon Bronson attended the funeral of his sister, Mrs. J. W. McQuigge, at Madoc, on December 26th.

Mrs. Roy Thomas, London, Ont., is spending some time with her brother Mr. Frank Hutchinson and Mrs. Hutchinson.

Miss Brenda Williams, Kemptville, spent the holiday at her home here.

On Sunday, December 15th, Mr. and Mrs. Allan Wrightman, who reside at the Maxfield Trailer Camp, Bayside, entertained Mr. and Mrs. Fred Preston, Thomasburgh, and Mr. and Mrs. Milford Wrightman to a birthday party.

Several folk called at the Weaver Funeral Parlour, Campbellford, and others attended the funeral of Mr. Bert Bedford on December 17th.

Howard Jeffs presided over the White Gift Service on Sunday morning, December 15th. Brenda Williams read the Bible lesson. Judy McAdam read the story. The choir rendered a selection. Rev. W. C. Cox gave the message.

Sunday School Programme  
On Sunday evening, December 22

in the Church Hall, the Sunday School presented a programme under the direction of the Superintendent, Howard Jeffs and the teachers.

The opening number was given by all the students and they rendered "O Come All Ye Faithful." The Primary Class gave a welcome song and an acrostic number. The Kindergarten class sang "Away in a Manger." The Junior class portrayed "Christmas Around the World."

Linda Hoard gave a monologue entitled "A Letter to Santa." Jim and Tandel Scott contributed a vocal duet "Go Tell It On the Mountain." Rev. W. C. Cox gave a message and the audience sang a few Christmas Carols.

The Intermediate and Senior classes staged a Christmas pageant in costume. At the close a fellowship hour was held and refreshments served by the U.C.W.

**Bridal Shower**  
On Saturday evening, December 21, Mrs. Ralph Jeffs and daughters entertained twenty-five immediate relatives and former neighbours in honour of Miss Donna Knight, a December bride-to-be. The rooms were decorated with pink and white streamers and bells and floral bouquets. A decorated wishing well held the large assortment of miscellaneous gifts. Corsages were presented to Donna and to the mothers of the bride and groom to be.

Miss Jean Jeffs was chairlady and readings were given by Mrs. Percy MacMullen, Mrs. Vernon Harry and Mrs. Robert H. Hoard. Organ music was contributed by Miss Lorraine Jeffs and contests by Mrs. Ross Jeffs and Jean.

Donna opened the various wrapped parcels and they were passed around for all to view. Her sister, Mrs. Tom Hookings, fashioned a decorative hat from the pretty ribbons and her mother, Mrs. Donald Knight, also assisted. Donna voiced appreciative thanks for party and gifts.

At the close the hostess and her assistants served dainty refreshments.

Abel Parsons, the Stirling Lodge, A.F. & A.M., No. 69, and the Minerva Chapter, No. 138, and the Order of the Eastern Star have given us a deep and lasting memory. The personal attention and service of the John R. Bush Funeral Home is also much appreciated.

### In Memoriam

**ANDREWS** — In loving memory of my dear husband, Russell, who passed away suddenly four years ago, January 1st, 1965.

We watched him suffer day by day. It caused us bitter grief. To see him slowly pine away And could not give relief. His weary hours and days of pain. His troubled nights are passed. And in our aching hearts we know He has found sweet rest at last. 'Tis sweet to know we will meet again.

Where parting is no more, And my dear husband I loved so well Has only gone before.

God knows how much I miss him. He counts the tears I shed. And whispers, "Hush, he only sleeps. Your husband is not dead." Some day, some time, my eyes shall see

The face I loved so well. Some day, some time, his hand I'll clasp

And never say farewell.

— Ever lovingly remembered and sadly missed by his wife, Luella. 1-1

**ANDREWS** — In loving memory of a dear Grandpa, Russell Andrews, who passed away suddenly January 1st, 1965.

When days are dark, friends few, Grandpa, dear, we think of you.

Friends are friends if they are true. We lost our best when we lost you.

— Sadly missed by grandchildren, Ronnie and Wayne. 1-1

**ANDREWS** — In loving memory of a dear father, Russell Andrews, who passed away suddenly January 1st, 1965.

He is gone but not forgotten And, as dawns another year, In our lonely hours of thinking, Thoughts of him are always near. Days of sadness will come o'er us. Many think the wound is healed. But they little know the sorrow That lies in our hearts concealed.

— Sadly missed and will always be remembered by son, Doug, and daughter-in-law, Mae. 1-1

**ANDREWS** — In loving memory of a dear Father and Grandfather, Russell Andrews, who passed away January 1st, 1965.

What we would give if we could say, Hello, Dad, in the same old way. To hear your voice, see your smile. To sit with you and chat awhile. So you, who have a father, Cherish him with care.

For you'll never know the heartache, Till you see his vacant chair.

— Lovingly remembered by Shirley, Ray, Cheryl and Billy. 1-1

**KIRKEY** — In loving memory of a loving husband, Samuel Kirkey, who passed away a year ago on January 14, 1968.

God watched you as you suffered. He knew you had had your share. He gently closed your weary eyes. And took you in His care.

— Sadly missed by his wife. 1-1

**PERCIVAL** — In loving memory of a dearly beloved mother, Ellen Percival, who passed away December 27, 1964.

She is waiting by the river, Across the golden stream, Where the grass is ever green. In that great Eternal City, Where no tears can dim the eyes, In God's house of many mansions, We will see her by and by. Just when her day seemed brightest, Just when her hope seemed best, God called her from amongst us, To her eternal rest.

— Sadly missed and always loved and remembered by daughter, Mae, and son-in-law, Harry. 1-1

**RODGERS** — In loving memory of a beloved husband and father, Arthur H. Rodgers, who passed away January 29th, 1968.

God looked around His Garden And found an empty space. He then looked down upon this earth And saw your tired face. He put His arms around you And lifted you to rest. God's garden must be beautiful. For He only takes the best.

— Loved and remembered forever by wife, Nancy, sons, Meighen, George and Robert, and daughters-in-law, Ruth and Virginia. 1-1

**SAGER** — In loving memory of Doris M. Sager, who passed away December 25th, 1967.

She is gone but not forgotten And, as dawns another year, In our lonely hour of thinking, Thoughts of her are always near. Days of sadness will come o'er us. Many think the wound is healed. But they little know the sorrow That lies in the heart concealed.

— Ever remembered by husband, Jack and family. 1-1

## Believe It Or Not

President Fred Heasman claimed he made the sandwiches and cakes for Senior Citizens last Thursday all by himself. Dis Ole Scribe thinks Sally Ward must have supervised, for as so far there have been no casualties.

Fred says, "I'd rather C sharp than B flat and so far this winter I have been able to keep my end up." Regardless of the pun Fred we all enjoyed it.

Ern Munro supplied the drinks again no casualties. Thanks Ern.

Margaret Pitcher pumped the melodian during the sing song. On one song she pumped it dry and it started to squeal. Some one called out "Don't sing so loud Finkle." Really she's not that loud.

Retrospection — A short story called "Three generations."

Grandfather had a farm; Father had a garden; Son had a can opener.

In days of Balaam it was considered a miracle when an ass spoke. In reviewing my columns I wonder someone hasn't said "Well things have changed." That's one on me — by me.

## Ontario Housing Corporation To Conduct Survey In Village Stirling

The Ontario Housing Corporation will conduct a survey to determine the need and demand for family and senior citizen housing in the Village of Stirling.

A research team from OHC, the Ontario Government's housing agency, will estimate the number of families and senior citizens living or working in Stirling whose housing is inadequate or beyond their financial capabilities.

The demand in the area for housing on a rent-to-income basis will be determined from information gathered through advertising, questionnaires and personal interviews.

The study, which begins Wednesday, January 15th, was requested by the Council of the Village of Stirling. It will include an assessment of economic trends, growth factors and

rooms. Rent is related to total family income. In this regard, interviews will be conducted with such community representatives as municipal officials, businessmen, social and welfare workers and the clergy.

Residents and employees in Stirling will receive letters outlining the Government's rental housing programme and asking them if they wish to participate.

Some interested persons may not be reached. OHC urges them to obtain a questionnaire from the municipal offices.

If the survey shows a need for family housing, it will likely be two-storey of semi-detached or row design. The size of the units varies with community needs, but they can have as many as four or five bedrooms. Rent is related to total family income and includes service charges for heat, hot and cold water, stove and refrigerator. The lowest rent is \$32 a month.

If the survey shows a need for senior citizens' housing, it will likely be an apartment building, although consideration is given to one-storey units which do not require stairways.

Apartments for couples have a living room, bedroom, bathroom and kitchen. Apartments for single tenants have a bed-sitting room, bathroom and kitchen. All apartments are equipped with stove and refrigerator. Rent is geared to income and the minimum is \$32 a month, including services.

After considering the survey report, Council can initiate the program it outlines by adopting a resolution requesting OHC to go ahead. Capital costs are shared by the Provincial and Federal Governments.

Housing on a rent-to-income basis is part of OHC's Home Ownership Made Easy (H.O.M.E.) Program. Those receiving questionnaires are asked to return them as soon as possible to assist the survey team.

## Won Draw

Harry Cotten, Madoc, was the winner of the \$50.00 bill, in a draw sponsored by the Rylstone Junior Ball Club. The team and officials extend thanks to all those who purchased tickets. Proceeds will go towards the purchase of jackets.

## Reeve D. W. Rodgers Explains Purposes Of Housing Survey In Stirling

Shortly, you will be receiving an information circular plus a questionnaire regarding an Ontario Housing Survey.

As your Council feels there may be those who could take advantage of the proposed accommodation, the Council has asked for such a survey to be taken.

We would suggest that as many as possible complete the questionnaire, unless you are positive you would not be interested, since only by having as many questionnaires as possible returned to the Housing Corporation, can an indication be determined of the need.

Please note that under present accommodation the question is asked if you Own or Rent present accommodation. Owners as well as Tenants can apply. Detached House means Single Family Home.

The questionnaire is already stamped and addressed and does not come back to Council but goes direct to Ontario Housing Corporation.

However, if you want to ask further questions, do not hesitate to call the Town Office, before mailing.

Your reply does not commit the Council, but if enough people are interested, only then could action be initiated.

This type of housing is benefiting many municipalities, but can only be made possible by the fullest co-operation of the citizens. We would suggest that if you are in doubt about your need, send in a questionnaire anyway.

Your Council respectfully asks your co-operation in this matter.

Donald W. Rodgers, Reeve

## LEGION NOTES

The general business meeting on January 7th, with President W. De Jong in the chair, saw the Branch get off to a good start for the New Year. Excellent reports from Committee chairmen were received, particularly those concerning finance and membership.

**New Business**

Time of future monthly business meetings will be 9:00 p.m. on the first Tuesday of each month. The Hall will be open at 8:00 p.m. for games and visiting, prior to the meeting. Executive meetings, 9:00 p.m., third Tuesday.

Stirling Branch will host the Annual Zone F Public Speaking Contest at the Hall on Sunday afternoon, February 16th.

The 3rd Annual Mixed Curling Bonspiel is scheduled for Saturday, March 1st, and this advance notice is expected to encourage some hot competition for the fine trophy donated by the Elaine Shoe Co., for this event.

Our new Membership Chairman, Cde. Herb Wall, is already off to a fine start on his campaign to push the total membership to a new high for 1969. We know he has set an almost impossible goal, as 1968 was a new high with an increase of 18 per cent increase on 1967. It can be done, but only if the veterans of Stirling and District have a mind to do it. Why not? Branch 228 is one of the best. Fees are due now.

Next meeting, 9:00 p.m., Tuesday, February 18th.

**Legion Public Speaking Contest**

Stirling Legion will again sponsor the local Public Speaking Contest now being organized at Stirling Public School. Finalists of the Grades 5 and 6 and Grades 7 and 8 levels will contend for first place at the school speak-off; time and date of which will be announced shortly. The top three contestants in each group will receive cash prizes donated by the Stirling Legion. The winner of first place in each group will be eligible to contend at the Zone Speak-off which will be held at the Legion Hall in Stirling, on Sunday, February 16th.

Both these contests will be open to the public and a large attendance is expected. We venture to say that any adult listening to these young contestants will be amazed and thrilled by the excellence of their performance.

Public speaking, together with the research, often in great depth, needed to marshal the facts and figures pertaining to the chosen subject, is one of the Legion's very worthwhile community projects.

**Remembrance Day Essay Competition**

One of the activities associated with Remembrance Day is an Essay Competition, sponsored by the Royal Canadian Legion. A choice of subjects relevant to the occasion is offered to Public and High School students, and competitions are held from coast to coast.

Beginning with the local Branch, the winning essay goes on to the Zone, District and Provincial levels, to compete for very worthwhile prizes.

Following are the results of the Stirling Legion competition for Grades 7 and 8:

1st Prize, \$5.00 — Rodney Graff, subject, "The Late Gov. Gen. George Vanier"; 2nd Prize, \$3.00, Paul Sharp, subject, "Remembrance Day"; 3rd Prize, \$2.00, Doreen Morton, subject, "May We Thank You Mr. X".

The Zone competition to which Rodney's first prize essay was sent was won by Janet McMurter, Grade 8, of Foxboro, and Lynne Gunter, of Coe Hill, came second.

In the recent Christmas Draw, held by the Legion, first prize of \$50.00 went to V. E. Jackett, Stirling; 2nd prize, \$25.00, R. A. Park, RR 4 Stirling.

## Stirling Recreation Council To Promote Skating Classes

The Stirling Recreation Council, in an effort to promote an activity for girls, has arranged ice time for skating instruction for girls, with the intention of eventually developing a figure skating group.

It is intended to have two groups, a non-skater group for both boys and girls and a skater group for girls only, depending on the ability of the skater at time of registration.

It has been arranged to have registration on Monday, January 20th, with the non-skater group at 3:00 p.m. and the skater group at 4:00 p.m. Registration will take place in the Canteen section of the Arena and registration fee will be \$3.00 per skater for the year and Mrs. L. Bryant will be in charge.

It is expected that young children will be accompanied by their mother or an older sister as the instructor will not be able to lace skates.

Skating techniques will be concentrated on this year rather than figure skating as such.

Any persons who would be interested in assisting with the registration or in any way, please call Mrs. Bryant at 395-2425 after 6:30 p.m.

It is expected that classes will carry on every Monday as long as the ice remains in the Arena.

## D. W. Rodgers Hastings Warden

Donald Rodgers, Reeve of Stirling, has been named Warden of Hastings County for 1969.

The choice of the new Warden to succeed Dunganon Reeve Calvin White, last year's County Council head, was made at Tuesday morning's caucus session preceding the inaugural session of Council.

Reeve Rodgers won the wardenship in a straight fight with Madoc Townspeople Allan Ketcheson. It is the first time that Stirling has had a County Warden since William C. West had the honour in 1936.

The new Warden is commencing his fifth term as Reeve of Stirling. Prior to election, Reeve Rodgers served two years on the Stirling-Rawdon High School Board.

A more detailed account will appear in next week's issue.

## This-N-That

The home cooking of three Senior Citizen Beauties tickled the palates of all last Thursday. They are modest about it, so I won't mention any names. I'll just give their initials — "Evelyn, Martha and Cora". Did I say initials? Evelyn and Martha served while Cora was at home. She caught the bug and it took her since Christmas to give it a beating. Lord help "The Bugger", if she catches him, too. It was a nice lunch, girls, and we sure hope, Cora, that you catch "The Bugger".

Evelyn Finkle didn't realize that she was serving on her own birthday until Pres. Fred started us singing the birthday song in her honour. Yup, Evelyn arrived in Canada on January 15th (about 39 years ago).

Health  
People would have better health if they would remember that the stomach is a work room instead of a play-house.

A doctor is the only man who can suffer from good health.

Medical science has developed so amazingly within the past few years that it is now almost impossible for a doctor to find anything all right about a patient.

The relative value of health and wealth always depend on which one you have lost.

Health tests are now advocated for automobiles, when it is the pedestrian who is run down.

He who has health has hope; and he who has hope has everything.

Someone has thought up the idea that it's impossible for a woman to be married to the same man for 50 years because after the first 25 years he's not the same man.

## Letter To Editor

(Too late for Last Week)

Through the medium of this newspaper, may I pay a word of tribute to the late Miss Ila Ashley, R.N.

When my little daughter had an eye operation, many years ago, Miss Ashley was second floor supervisor at Belleville General Hospital. The hospital was over-crowded and there was a great shortage of nurses. I was asked by our doctor to be with the patient daily and I found Miss Ashley went far beyond the line of duty to be not only co-operative but kind, and understanding. Upon our return home each of us wrote her an appreciative note. Characteristically though very busy, she answered each of our letters. It was evident she was very pleased. Her exact words were, "Truthfully speaking, I got more satisfaction from your letters than a pay envelope."

This sentence has taught me how badly "Thank you" is needed in this world. If you knew this fine, dedicated nurse as I did, let's make her memory live by saying "Thank you" for even small favours. Who knows how many days it would brighten?

G. Morton

## Winter Sports Capital Predicted For Marmora

With the energy and enthusiasm shown by members of the newly organized "Marmora and District Snowmobile Club," in the establishment of new trails and planned entertainment for the whole family, Marmora is well on the way to becoming the winter sports capital of Eastern Ont.

Members will be entitled to take part in cross-country runs, snowmobile meets, candlelight parades, barbecues, and other functions being planned by executive.

Establishment and maintenance of trails recently approved by Councils of Marmora Village and Marmora and Lake Township, is progressing at a good rate, and the 100-odd local snowmobile owners are constantly using the trails south along Crowe, River, Crowe Lake, the Marmora, Deloro area, and north-Marmora and Tiffin routes.

Seven thousand copies of a map indicating the trails around the immediate Marmora area of 250 miles, is in process of publication and will be distributed to all surrounding centres. Shown on the map also will be a link to the trail from Marmora north to Coe Hill which in turn joins to all 600 miles of trails in the Centre Hastings Winter Sports area.

Marmora is believed to be the first town to publish a map with regard

to winter fun activities. All trails in this vicinity are at present free of charge resulting from the generous consent of the numerous landowners.

## BELL LINES

your telephone  
by Bob Carleton  
manager

The other day I came across an interesting article about telephone calling in the old days. The article described how, in 1923, roller skates were introduced in one of our long distance centres for use by messengers carrying pertinent information about long distance calls from what we called "recording" to "line" positions. At that time, a "recording" operator took down the details of a customer's long distance call and then said, "We will call you back." Another "line" operator set up the connection and then telephoned the caller. Beginning in 1926, CLR (combined line and recording) ensured that most calls were completed while the caller remained on the phone.

Those days are a far cry from 1969 when you can pick up the phone in Stirling and call almost anywhere in just a matter of seconds.

Did you know that the ordinary looking telephone in your home contains at least 62 different materials that come from all over the world. They range from the most valued — gold — to the most common — paper. Each performs a special function helping your phone to work better and longer.

Many of these materials — iron, zinc, copper, nickel and plastic can be obtained in Canada. But it takes the resources of nations on every continent but Antarctica to provide raw materials for a single phone. Tin, for example, comes from Malaya, Bolivia and Nigeria and is used in electroplating terminals.

To seek out these ingredients, suppliers are constantly on the move to gather the needed raw materials. Many are well-known: aluminum, carbon, chromium, copper, cotton, lead, nickel, nylon, rayon, rubber, silver, steel and zinc. Other materials have more exotic names such as beryllium, molybdenum, vanadium and palladium. The latter is a precious metal that is noted for its high electrical conductivity and resistance to corrosion. It's used for practically all electrical contacts in the telephone.

So the next time you make a telephone call, and you can call practically anywhere now, remember that, through your phone, the world is truly at your finger tips.

## Ont. ARDA Situation And Outlook

A.R.D.A. Branch Director, Herb Crown, recently announced that Ontario ARDA policy is being more and more directed to effect the adjustment of low income farmers into potentially viable farm enterprises according to standards that are considered minimum for family farm income and secondly to assist low income rural people to obtain greater dependency on income from off farm sources.

counselling services, retraining, mobility and community development.

Although it is not anticipated that Ontario ARDA will be the agency to create alternative employment opportunities for low income rural people it will have a major responsibility in providing counselling services for low income farm operators to stream these people into the proper adjustment program — whether it be retraining, farm employment or mobility assistance.

Mr. Crown stated that high priority in this province must be placed by ARDA on effecting rural adjustment programs regardless of the future federal policies affecting the present Rural Development Agreements, which terminates March 31, 1970.

On-the-farm counselling services for Leeds, Frontenac, Lennox & Addington, Hastings, Prince Edward and the eastern parts of Northumberland and Peterborough Counties will be carried out by Joe Galway, of Gananoque, Boy Deyo, of Wilton, and Clayton Hall, of Plainfield. These men will work as a team with their supervisor, Bob McMahon, of King-

ston, in the implementation and development of ARDA programs within the District. Although their home offices are located in the offices of the Ontario Department of Agriculture & Food in Kingston, Napanee and Stirling, contact can be made through the Agricultural Representatives located in the other counties within the district.

## Liability Insurance Covers Your Dog

Injury to others is an ever-present hazard around the home. An independent insurance agent can advise you as to what extent your responsibilities can be insured.

Among the situations covered by liability insurance are injuries sustained by others in your home, injuries to others caused by your pets. It also covers you and members of your family if a lawsuit should arise from golfing, hunting, or fishing accidents. The policy also pays for damage that members of your family may do to property of others.

## Your Ontario Hospital Insurance would like to hear from you

(before it's too late)

When you are newly wed the "family" Hospital Insurance premium must be paid to cover husband and wife. If you belong to a group notify your group without delay or if you both pay premiums direct, notify H.I.R.B.

When you move to a new job you can keep insured by following the instructions on the Hospital Insurance "Certificate of Payment Form 104" that your present employer is required to give you on leaving.

When you turn 21 you are no longer covered by your parents' Hospital Insurance. You must take out individual membership within 30 days. Get your application form at a bank, or a hospital, or from H.I.R.B.

When you have a new address notify your group. If you don't belong to a group, write H.I.R.B.

## St. Paul's U.C.W.

Tuesday evening's meeting of St. Paul's United Church Women held at the Church, found only twenty-two present, due to weather, roads and flu.

Mrs. D. Williams presided, opening with a New Year's poem.

Mrs. Basil St. Pierre conducted the devotional, mostly in song, with Mrs. H. West at the piano. Mrs. Blake Faulkner and Mrs. Roy Tucker gathered the offering which was dedicated by Unit 2 president.

Mrs. Grant Richardson and Mrs. John Svoboda sang with Mrs. H. West at the piano.

Mrs. Bruce Small carried out the topic programme with Mrs. Allan Wells giving a taped address based on Chinese government and customs. A brief discussion on the topic followed.

Mrs. Williams gave out the announcements — Picton, January 28th and 29th; Unity meeting, January 21, at St. Paul's Church, at 8 p.m.

Mrs. Bruce Small will replace Mrs. Lloyd Jones on the parsonage board.

A suitable cupboard will be made available at the Church for the storage of clothing when called for in an emergency or otherwise, with Mrs. Wayne Martin in charge.

Mrs. Williams announced, in the absence of Mrs. Aythart, that 125 lbs. of clothing had been sent to Street Haven, Toronto and 881 lbs. for Overseas Relief.

Mrs. Williams closed the meeting with these lines, which are worthy of remembering each day:

"We do not know what is on hand for the New Year, but we do know Who's hands we are in."

Unit 3 served refreshments during the social hour.

Mrs. Edward Reynolds voiced appreciation for this most educational meeting.

## Annual Meeting W.M.S. Presbyterian Church Kingston Presbyterial

The annual meeting of the Kingston Presbyterial Women's Presbyterial Women's Missionary Society was held on the 8th of January in St. Andrew's Church, Kingston.

Upon arrival at the Church, coffee and donuts were served. The theme was Lamp, Light, Life, with the quotation from the 119th Psalm "Thy word is a lamp unto my feet, and a light unto my path."

The morning session commenced with the call to worship by the President, Mrs. G. H. Lyons, Kingston, who also welcomed the ladies. The Belleville W.M.S. was in charge of the Devotional period in the morning. The Scripture was taken from John 1 and a commentary given by Mrs. John Craig.

The minutes of the 1962 Annual meeting were read and adopted. Mrs. F. R. McPhee was appointed delegate to the Synodical to be held in Brampton in April with Mrs. Fantham or Mrs. B. Haggerty as alternates.

Mrs. W. H. L. Smith, Treasurer, gave the Treasurer's report. This was an encouraging report although down slightly from 1962 which was probably due to various extra activities held in 1962, Centennial year. Each Auxiliary is asked to try to increase their givings as the need is great.

Reports of the various committees were printed so that each member would have it before her. Some of the conveners added a verbal report to these. Mrs. Wm. McLaren, the Historian, requested that interesting items be sent to her for her scrap book.

A recommendation was brought in from the previous executive meeting to the effect that the fiscal year be changed to begin the 1st of Dec. and end Nov. 30th. This motion was carried. There was also a discussion as to whether or not the date of the annual meeting be changed but it was left as is.

The nominating Committee was named and comprises of Mrs. K. D. Taylor, Mrs. J. Broatch, Mrs. S. Murray and Mrs. K. Heed.

The ladies of the Kingston Church served a delicious dinner which was enjoyed to the fullest. During the noon hour the Literature Secretary had many books on display and for sale.

The afternoon session began with a devotional period by Mrs. McPhee of Amherstview. The Scripture was taken from the 17th chapter of Matthew and a hymn was sung. The Roll Call was taken. The service of Remembrance was conducted by West Huntingdon, with Mrs. H. Thompson and Mrs. B. Haggerty taking part.

A resume of the Catherine Farlie Auxiliary of Kingston which began fifty years ago was given by a member. Unfortunately this organization has found it necessary to disband.

Instead of the usual guest speaker a Workshop was held under the direction of Miss Lois Pewrie. The ladies were divided into several groups and various problems arising in the work of the W.M.S. was discussed. The findings of each group were brought before the meeting.

It was brought to the attention of the ladies that Miss Frieda Matthews and Mrs. V. Weir had been ordained as elders in St. Andrew's Church, Belleville. The Summer Rally is to

be held at St. Andrew's, West Huntingdon, on June 4th.

The election of officers was conducted by Mrs. V. Weir and Rev. M. Putnam installed the new officers. They are as follows:

Honorary President, Miss Frieda Matthews; President, Mrs. G. H. Lyons; 1st Vice President, Mrs. G. R. Williamson; 2nd Vice President, Mrs. D. C. MacPherson; 3rd Vice President, Mrs. B. Haggerty; Recording Secretary, Mrs. F. McKee; Corresponding Secretary, Miss Jessie Rogers; Treasurer, Mrs. W. H. L. Smith; Afternoon Groups, Mrs. Milton Shaw; Evening Groups, Mrs. P. D. Sheffield; Girls' Groups, Mrs. F. R. McPhee; Children's Groups, Mrs. H. Fantham; Home Helpers, Mrs. S. W. Gentle; Friendship and Service, Mrs. Jan Broatch; Literature, Miss Dorethea Druce; Glad Tidings, Mrs. H. Thompson; Press, Mrs. B. Haggerty; Supply, Mrs. J. Johnson; Life Membership, Mrs. J. Bailey; Historian, Mrs. W. McLaren; Without Portfolio, Mrs. J. Craig; Mrs. John Broatch; Mrs. P. R. Laughten.

The meeting adjourned and a cup of tea and cookies were served before departing for home.

## Donald W. Rodgers Seventh Stirling Man To Be Elected Warden of Hastings County

At the inaugural session of Hastings County Council, held in Belleville last week, Reeve Donald W. Rodgers, of Stirling, was elected to the office of Warden in a two-way contest with Allan Ketcheson, Reeve of Madoc Township.

Born in Rawdon Township, Mr. Rodgers is a son of Mrs. Louis Rodgers, Toronto, and the late Mr. Rodgers. He is married to the former Helen Thain and they have three children, Graydon, employed as an assessor by the City of Belleville, Rosalyn, graduate of Queen's and O.C.E., with the Ontario Institute for Studies in Education, Toronto, and Evan, attending University of Toronto.

Mr. Rodgers was in the retail lumber business for a number of years and at present is retired from the investment field as representative for United Investment Services Ltd. He is a member of St. Paul's United Church.

Mr. Rodgers is the seventh Warden Stirling has had since 1850, when Edward Fidler was elected the first Warden of Hastings County. Dr. G. H. Boulter occupied the position in 1867; Dr. G. W. Faulkner in 1884; Mr. W. S. Martin in 1896; Mr. Wm. Mathew in 1910 and Mr. Wm. C. West in 1936.

Mr. Rodgers succeeds Reeve Calvin White of Duncannon Twp., who was Warden of the County last year.

In his inaugural address, Warden Rodgers said that evolution and communication had done much to bring about political and economic change in the country.

He believed, however, the basic reason for the more recent changes in communities had been the advancement of communication.

The motor car, aeroplane, rockets, radio, the press and television had accelerated the times of communication so rapidly that communities had been hard pressed to keep pace.

Mr. Rodgers said in the past few years major changes had taken place in Ontario and in Hastings and we

## March of Dimes Blitz To Be Held February 3rd

Stirling residents will have the opportunity of contributing to the March of Dimes campaign which is in aid of rehabilitation of adults disabled, on Monday, February 3rd.

Each year the marching mothers of Ontario give of their time to collect contributions from their neighbours for the March of Dimes.

The measure of this work is to be found in the lives of ten thousand men and women, disabled by accident or disease, but restored to independence, made fit to earn a livelihood again.

Mrs. Basil St. Pierre is in charge of the local campaign and if there are any willing to assist in canvassing, please contact her.

Citizens wishing to contribute are requested to leave their porch lights on and treat the canvasser generously. Remember the date, Monday, February 3rd.

## DRIPS FROM THE TAP

One has to be careful what he says around Senior Citizens, for it's bound to leak out sometime. Last week we heard a dandy bit being of a modest nature, but ole Scribe refuses to divulge it. Don't feel too relieved, Pres. Fred, for I may work up the nerve to write it next week. You keep asking me to tell a joke and some time you're going to really get it.

We had a full house last week. We are always prepared to entertain visitors and last week we were happy to entertain and welcome the newly-elected Warden of Hastings County. When Don walked in carrying a large box of chocolates, he was greeted with cheers and many forms of congratulations. Don spoke at some length and brought us up to date on The Ontario Housing Corporation. We are proud of you, Don. Come again. We welcome all except "the stork".

Gertrude and Nellie prepared and served a lovely lunch. These are two nice girls and Pres. Fred told them so.

## More Drips

The best ten years of a woman's life are between 39 and 40.

There are three classes of men in Stirling — the intellectual, the handsome, and the majority.

No wonder the little duckling wears a frown — he has just discovered his first pair of pants are down.

A new lady clerk in a lawyer's office was asked: "Do you retire a loan?" She replied: "No, I sleep with mother."

Good Night,

The win came from an all-out team effort as Trenton is in a much higher group and the fans were well rewarded for their enthusiastic support.

## Remember The Mail Carrier

Remember your faithful rural mail carrier. He makes his rounds daily in spite of wind and weather, icy roads, muddy roads, heat and cold. And his reward in dollars is not great when his expenses are deducted. Rural mail service is about the only government service that give the farmers an advantage over most village residents. It should be valued.

## Kids Fear No One

One of our subscribers offered this brief treatise:

In today's schools, the teachers are afraid of the principal, the principal is afraid of the superintendent, the superintendent is afraid of the Board of Directors, the board is afraid of the parents, the parents are afraid of the kids, and the kids — bless their hearts — aren't afraid of anyone.

Annual Vestry Meeting

Of St. Thomas' Church

The Annual Vestry Meeting of St. Thomas' Church was held Saturday

at the home of Mr. and Mrs. Lindsay Tanner.

Following a pot luck dinner at noon, Rev. Saunders opened the meeting with prayer. Mrs. Colden read the minutes of the last meeting and was elected Vestry Clerk for 1963.

Mr. George Tanner gave the Rector's Warden's report. Mr. John Courtney presented the People's Warden's report and the Cemetery Fund. Miss Edna Tanner presented the A.C.W. report. All obligations have been met and reports showed all in good standing.

Rev. Saunders presented the statistics of the parish and thanked wardens, organist, clerk and all for co-operation and encouragement in the services of the Church.

Mr. John Courtney was re-elected People's Warden and Mr. George Tanner was re-appointed Rector's Warden. Some new business was discussed and the new budget presented and accepted.

A vote of thanks was extended to Rev. and Mrs. Saunders, organist and Wardens on behalf of the congregation. Mr. Phil Vance, as the oldest member, spoke briefly.

Rev. Saunders closed the meeting with prayer.

Tanner L.O.L.

Card Party

The card party, sponsored by Tanner L.O.L., was held Friday night with 11 tables in play. The winners were: Ladies' high, Mrs. John Wickens; Ladies' second, Mrs. Harry Grills; Men's high, Lindsay Tanner; Men's second, Chas. Lebow; door

prize, Mrs. Harry Grills.

Following cards, lunch was served and the announcement was made of the next card party in two weeks.

### St. Paul's U.C.W. Unit Four

Despite slippery sidewalks, twenty eight members attended the January meeting, under leadership of Mrs. L. Thompson, with Mrs. O. Stapley as hostess and Bible Study conducted by Mrs. H. Waite.

The President, Mrs. G. Carlisle, suitably opened the meeting by a short article, named "Reflections", following with prayer. Theme hymn, No. 16, from the hymnary was used. Reports were presented by the secretary, Mrs. V. Richardson and treasurer, Mrs. J. B. Hough. "Thank you" notes from shut-ins expressed appreciation of treats and Christmas calls.

### Devotions

Mrs. Leslie Thompson, assisted by Mrs. O. Stapley and Mrs. Bruce Stapley, led in devotionals. Mrs. Thompson chose Psalm 31 for the Scripture lesson and comments on the passage were made by Mrs. O. Stapley. An interesting message for the New Year was given by Mrs. B. Stapley. A solo "Hark, the Shepherd's Voice I Hear" was sung by Mrs. H. Waite and was much enjoyed.

The offering was gathered by Mrs. F. Wood and Mrs. H. Waite and was dedicated by Mrs. Thompson.

### Study

The three concluding chapters of the book, "Panorama of the Bible" were condensed and read by Mrs. H. Waite.

Much in these chapters is based on 1st Epistle of Peter, written in Rome about 60 A.D. at a time when Christians were facing imminent danger. Soon, he himself was to give his own life for his faith.

The early Christians were composed of Jews, Greeks, Romans and Asians, located in the five Provinces of Asia Minor. Because of Nero's persecution, Peter felt the need for a message of encouragement. After a statement of faith there followed rules for guidance in Christian belief, life and conduct.

In the "Panorama of the Bible" we have studied three great themes.

In the area of "Prophecy", attention was drawn to Amos — that extraordinary prophet. Then in the area of "Law", Deuteronomy was outstanding, and lastly came the more familiar theme of "Gospel", as read in 1st Peter's letter.

In all these studies, our one aim is to see the Bible — not just as history or a collection of books, but as the record of a living, developing relationship between God and Man.

God's redeeming Purpose for His people unfolds throughout the whole study of the Bible and Christ is the fulfillment of the ancient hope that a Scion of David's line should bring in a new age under God.

The coming of Jesus of Nazareth is recognized as the turning point in history and the supreme expression of God's Grace and love to mankind.

After thanking Mrs. Waite and ladies of the Group who had presented the programme and afternoon tea, Mrs. Carlisle closed the meeting with prayer for blessing in the year ahead. All joined in the Lord's Prayer.

Convertibles On  
Way Out

Convertible cars may become scarce — perhaps obsolete. American Motors has dropped all convertible models from its 1969 lineup, and other manufacturers are believed to be considering phasing out their convertible lines. The main reason is the expectation that auto makers will be forced to install roll bars, to protect occupants in case the car overturns. Growing acceptance of air conditioning, and growth in sales of two-door hard tops are other reasons given against retention of convertibles.

One woman's definition of retirement: "Twice as much husband on half as much money."

### Number of County Farms Is Gradually Diminishing

The number of farms in Hastings County is gradually diminishing but farming is still "big business" in the county.

In his agricultural report, submitted to Hastings county council recently, agricultural representative Douglas Tipper said that there were 1,100 commercial farms in the county with the bulk of these representing a capital investment of \$55,000 or more.

"Using \$55,000 as the average we find we are talking about a business with a \$60,000,000 investment — and in anybody's language this is big business," he said.

Mr. Tipper said this accentuated the importance of the challenge faced by the county agricultural office in its yearly programs.

He said the main objective of his office was "to help the farmer to help himself so he can obtain the same standards of living as any other comparable Canadian."

The county agricultural representative and his aides, Ray Pender, extension assistant, Wayne Martin, associated agricultural representative, and county home economist Miss Mary MacEarchern, reviewed the work of the county office during 1968.

Despite revamping of junior programs to bring them more in line with the times, the agricultural re-

port indicated the county junior farmers were having a difficult time with declining memberships.

Last year 183 boys and girls enrolled in 282 agricultural projects in the junior program. There was concern that only about 10 per cent of the total rural youth in the county is being reached.

The average age of 4-H members in the county last year was 13.6 years as compared with 14.7 years in 1967. One of the major concerns is in providing programs which will have the necessary challenge to retain 4-H members for a longer period, the report said.

### Mount Pleasant

(Mrs. Percy MacMullen)  
Ten members from here attended the January meeting of Stirling Horticultural Society on Monday, January 20th.

Mr. and Mrs. Clarence Scott attended the funeral of their aunt, Mrs. John Rapson, Belleville, on Tuesday, January 21st.

Several from here attended the Rawdon A.O.T.S. Men's Club Ladies' Night at Spring Brook.

Two wolves paid a visit here one day last week and were viewed by several people.

Recently Miss Jeannette Hoard and Miss Lorraine Jeffs won first class honours at The Royal Conservatory of Music, Belleville.

### Wednesday Night Ladies' League

This week it really looked as if those Smartly Pants were trying to prove a point or I should say 7 points because that's what they took from the first place Dreamers, who had better quit dreaming about being the league winners and do something about it. The Losers sure didn't live up to their name as they took all 7 points from the Moonlighters, who were short a bowler this week.

Points to date — Dreamers 64, The Losers 57, Smartly Pants 47 and Moonlighters 28.

"A" Group (average 150 and up) — This week's high single and triple, Sylvia Edgar 284 and 633.

"B" Group (under 150 average) — Shirley Oliver 223 and 515.

Other good scores — Emma Roe 596, Marie Wilson 575, Marilyn Myers 590, Marg Bird 558. Shirley Wilson had a 246 game and Barbara Short a 215.

### Merrie Bowlers

Phyllis Pearce came through with the high single — 267 and the high triple — 777. Barb Noble still holds high average at 189.

Other over 200 games were — Phyllis Pearce, 248, 262; Helena Oosting, 243, 206, 201; Marion Palmer, 207; Betty LaRue, 207; Willie de Jong 264; Barb Noble 200, 226; Marie Morton 233; Shirley Grills 224.

Points — Dandelions 65, Marigolds 56, Orchids 45 and Violets 44.

### Enduring Friendship

What is a true friend? Perhaps most often we think of a friend as one who rejoices over our good and who has compassion during our sorrows and mistakes. This, however, is an ideal state, for in human experience friends do not always seem to be that way. They sometimes do things we might expect of enemies, or they vanish when we need them most.

The trials that come when our friends betray or when they disappear are our opportunities to find friendship with God. The concept of God as friend is not an appealing substitute for human companionship. It is a revelation, which changes the basis of our love and affection from a material one to a spiritual one. Moses evidently discovered this, for the Bible states (Exodus 33:11), "The Lord spake unto Moses face to face, as a man speaketh unto his friend."

During periods of separation or betrayal, students of Christian Science often think deeply about a statement made by Mary Baker Eddy, who discovered and founded this religion. She says in "Science and Health with Key to the Scriptures" (p.266) "Would existence without personal friends be to you a blank? Then the time will come when you will be solitary, left without sympathy; but this seeming vacuum is already, filled with divine Love."

No matter how lonely our experience seems, divine Love is already there. While our thoughts are preoccupied with self-pity, we do not see the love that is already waiting for us. As we turn to God, who is the only real Love, we see His loving kindness reflected in many ways.

As we seek God, we see that, in reality we are His image, free from hurts. We see also that love must grow increasingly more spiritual if we are to remain free from griefs and resentments. As love becomes more spiritual, we need less flattery and are more ready to forgive.

The book of Job, the Psalms, and the Gospel accounts of the teachings of Christ Jesus abound with comforting and uplifting thoughts that reveal man's inseparability from Love. — From The Christian Science Monitor.

One sure test of will power, is to see a friend with a black eye and not ask any questions.

## Dollars and Good Sense

by WILLIAM J. MARTIN

This column is a regular weekly feature prepared by the family Financial Counselling Service of the Avco Delta Corporation, P.O. Box 2820, London, Ontario. All questions submitted to the above address will be answered, in print or by return mail. Names will not be used in print. However, all questions should be accompanied by a complete name and address.

QUESTION: My husband and I are about to go out of our minds. Three times in the last eight months we have been refused credit, twice at local department stores and once at a small loan company. We are told that we have a bad credit rating, but that is absolutely all anyone will tell us. The first time it happened, it just made us mad, but now we're not only mad; we're a little bit scared. My husband is in line for a promotion with the company in the near future. This thing could cause him to lose it. The part that upsets us the most is, we don't know why we're being blacklisted. We've never run out on a legitimate debt in our lives. How can we get this thing straightened out?

Mrs. N.P.B.

ANSWER: This is no time for a lecture on the importance of taking every possible step to protect your credit rating. Your letter speaks more eloquently than any words of mine. The question now is, what can you do about it? May I suggest, as a first step, that you pay a personal call on your local credit bureau, explain what has happened to you and ask for an unofficial explanation of the situation which is adversely affecting your credit rating. Mistakes do happen, sometimes, and the first thing you want to determine is whether the blotch which obviously is on your rating really belongs there. If it is a mistake, the credit bureau will take necessary and immediate steps. However, be prepared for evidence that in the past you have been slow or delinquent in making payments or evidence that would lead sells or lenders to be skeptical of your willingness or ability to meet

your financial obligations. If this evidence is there, don't get mad. It will do you no good. Explain the circumstances surrounding the delinquency — if there are mitigating circumstances — and point out your good record in recent times. These explanations will go into your credit record and, perhaps, alleviate some of the unfortunate "turn-downs" you have had recently. In any event, you will do yourself no good by continuing to stew over this matter. Go to your local credit bureau and get yourself and your family back on the right credit rating track — And let me know how you make out.

(Continued from Page One)

are led to believe we must consider more.

"I believe that some of these changes have been so rapid that Communication is lagging," he said.

In the coming year, Warden Rodgers said he would ask council for assistance in revitalizing its lines of communication, "not only among ourselves — which is most important — but with our neighbors."

"We, in Hastings, have seen the culmination of many achievements and can be justly proud of what has been accomplished..." he said. "We are proud also to be citizens of this historic Hastings and must continue to work to seek the reward our citizens have the right to expect."

"In Canada our country has attained recognition because we have had strong stable governments with which citizens have felt they could communicate."

"I say that the day you take the involvement of the people out of government, and sever their lines of communication, on that day you no longer have representative government."

Rev. Bruce Small of St. Paul's United Church, Stirling, pronounced invocation at the inaugural session and later called for continued public interest in government matters.

"You can't have good government unless the people are willing to act in this service," he said.

Clarke T. Rollins  
Addresses Council

Regional government will not become a reality in Hastings county for at least three years, according to Hastings MPP Clarke T. Rollins.

At the inaugural meeting of Hastings county council Tuesday, Mr. Rollins said he had been assured of this by Municipal Affairs Minister, Hon. Darcy McKeough.

He quoted Mr. McKeough as saying that careful study and consideration with respect to regional boundaries and other matters would be needed before regional government could be instituted in this area.

## Hastings Council Appoints Committees

Hastings County Council is slowly but surely streamlining its Council meetings and is getting away from certain time consuming aspects of Council procedure.

One of the changes was introduced at this week's inaugural session when appointments to the many standing committees and other boards were covered in a single bylaw.

County clerk-treasurer administrator, Carl Bateman, said the change would speed up Council procedure and avoid unnecessary cluttering of Council minutes.

This year's appointments were as follows, with the first four committees to act as chairmen:

den Donald Rodgers, Homes for the Aged Committee — Earl Hawley, Jack M. Bush, Merton Ham, Borden Forsythe and the Warden.

## What's What In Your Home

A sound rule of thumb to follow when you're valuing your home and contents for insurance purposes is to regard anything that a mover would take away in his van as "contents", and the remainder as "building". An independent insurance agent can ensure that you have the correct amount of coverage for both.

## Pension Age Lower In 1969

As of January, 1969, Canada Pension Plan retirement pensions become payable at age of 66, a year younger than in 1968.

If you are now 66, retired, and have been a contributor to the Canada Pension Plan, get in touch with the nearest CPP office at once. If you will become 66 this year, apply for your pension within the three months prior to your birthday. Payment is not automatic. You can apply at any of the Canada Pension Plan offices in 38 major centres' across Canada or at local offices in smaller centres.

Application for retirement pensions under the Quebec Pension Plan must be made to the Quebec Pension Board.

The eligible age for retirement pensions is being reduced each year until 1970 when it will be 65.

People who are 70 or over and who have contributed to the Canada Pension Plan need not be retired to receive a retirement pension, but application must still be made.
